

# TSYS SCHOOL OF COMPUTER SCIENCE

---

The TSYS School of Computer Science offers the following degrees:

- Applied Computer Science (MS) (<https://catalog.columbusstate.edu/academic-units/business/computer-science/applied-computer-science-ms/>)
- Computer Science (BS) - Games Programming Track (<https://catalog.columbusstate.edu/academic-units/business/computer-science/computer-science-bs-games-programming-track/>)
- Computer Science (BS) - Software Systems Track (<https://catalog.columbusstate.edu/academic-units/business/computer-science/computer-science-bs-software-systems-track/>)
- Computer Science (BS) - Web Development Track (<https://catalog.columbusstate.edu/academic-units/business/computer-science/computer-science-bs-web-development-track/>)
- Cybersecurity (BS) (<https://catalog.columbusstate.edu/academic-units/business/computer-science/cybersecurity-bs/>)
- Cybersecurity (MS) (<https://catalog.columbusstate.edu/academic-units/business/computer-science/cybersecurity-management-ms/>)
- Cybersecurity of FinTech (Nexus) (<https://catalog.columbusstate.edu/academic-units/business/computer-science/computer-science-nexus-cybersecurity-fintech/>)
- Information Technology (BS) (<https://catalog.columbusstate.edu/academic-units/business/computer-science/information-technology-bsit/>)
- Cybersecurity (Graduate Certificate) (<https://catalog.columbusstate.edu/academic-degrees-programs/certificates/cybersecurity/>)
